Bon Voyage, Stephanie

On several sailing days during the last year Southampton had visits from Miss Stephanie Peel-Yates, who transferred from the Johannesburg Office to Passenger Department, Bond Street. Among her recent duties there was the booking of the maiden voyage of the *Transvaal Castle*. Now the liner has sailed, Miss Peel-Yates has fulfilled her own ambition to go to sea and sailed in the *Edinburgh Castle* as Purser's Clerk—the youngest so far appointed. We heard she was looking forward to the voyage and to seeing South Africa again.
