

Reina Del Mar

The *Reina del Mar* will remain under British registration and, following an extensive conversion by Harland and Wolff, Belfast, to make her ideally suitable for cruising, the vessel will be taken over by Travel Savings Ltd. and managed by The Union-Castle Line.

Reina del Mar's maiden voyage for Travel Savings Association on 10th June will start a series of cruises to

New York to coincide with the New York World's Fair.

On 27th August, the *Reina del Mar* will sail for an Olympic Games cruise via South Africa. During the period of the Games, the ship will act as a floating hotel for T.S.A. Members. Thereafter, she will carry out a series of cruises from South Africa and is scheduled to return to the United Kingdom in May, 1965.
