

*R.M.S. Windsor Castle is depicted steaming at high speed whilst on passage to Port Elizabeth. To obtain this excellent photograph, Terence J. McNally, Cape Town's leading photographer, was conveyed from Kalk Bay Harbour to Cape Point in the Motor-launch Esperanza belonging to Mr. D. Hare, a Cape Town businessman. The photograph was taken by Mr. McNally from the launch when only a short distance from the approaching Mailship. The print was supplied by Mr. Jack Newlan, head of the Publicity Department of Union-Castle Line, Cape Town*
