HIS 21st

Mr. S. P. Coles, 3rd Purser Catering, Windsor Castle, celebrated his 21st Birthday on 17th June; on the previous evening he gave a cocktail party for forty of the ship's officers and was fortunate in also having his mother (pictured standing between him and the Captain) present as she was travelling down coast on the ship at the time. During the festivities Peter was presented by Captain A. J. Hort, on behalf of himself and the officers, with a fine pair of "Zoom" binoculars and he also received a Ronson Gas Desk Lighter, a Parker 61 Propelling Pencil and a Birthday Cake from members of the Catering Department.

On arrival at Cape Town he and his mother were joined by his step-father, Air Commodore J. C. Macdonald, C.B.E., D.F.C., A.F.C., R.A.F., the A.O.C., East Africa, who had flown down from Nairobi for the occasion.
