

The "WINDSOR CASTLE'S"

Proud  
Boast

Declares Ray Harrison, Chairman:—

"I think I can safely say that the *Windsor Castle* is the only ship in the Union-Castle Fleet that can boast a Social and Athletic Club with a membership of 100 per cent. This is helped along with the assistance of Commodore A. G. V. Patey, Chief Officer G. Beaumont, Treasurer, and the Committee of 12 men who give their spare time to make it a success."

For a Club fee of 2s. 6d., members enjoy a varied social programme, including tournaments for indoor and outdoor sports and a Fancy Dress Night. A Ship's Dance is held each voyage at the De Waal Hotel, Cape Town; this is always a popular evening, with two bands playing—one the ship's own group, "The Intruders".

Loumax, Purser's Clerk; Mr. H. Charnley, Chief Officer; Miss J. Adams, Nursing Sister; Miss M. Toohy, Purser's Clerk. Standing in the background, right, is Mr. T. Davies, Second Purser*
