

*A tea party was arranged on October 28 for a new unit of cadets (seven deck and three engine). It was held on Clan Menzies just prior to the cadets' first voyage and parents were invited to discuss their sons' careers with the master, Captain A. Mair, and cadet training officer A. R. M. White. Captain R. Hart, nautical adviser, was also there to talk to the cadets and their parents. The photograph shows the deck cadets in the lecture room on board, left to right: S. L. Holloway, G. C.
